Skincare

With a unique theme each year, this space is dedicated to showcasing a mix of new and original Beauty Expo brands focused around specific trends, themes, and attributes within the industry.

In 2024, we proudly shine the **SPOTLIGHT** on Cosmeceutical Skincare. As consumer investment in skincare soars, this exclusive area of the event provides an opportunity to explore the intersection of science and beauty, showcasing new advanced products, to ensure you remain at the forefront of skin innovation.

Whether it's clinical-grade ingredients, dermatologist recommended products or advanced formulations, we are looking for a variety of brands that will leave the audience feeling empowered and inspired.

Sound like you? Then let's chat.

With premium stands starting from just \$10,359 inc GST and a limited number of spaces SPOTLIGHT is sure to sell-out fast. To be considered and for more information contact us;
